

Welcome Back Safety Protocol

- ❖ Welcome back to our in-person services!
- ❖ **Masks and social distancing are optional.** Please notify the ushers upon arrival if you prefer to be seated in the social distance section.
- ❖ All surfaces will be professionally disinfected prior to your arrival and there will be several stations with masks and hand sanitizers throughout the facility.
- ❖ All air filters in the facility have been changed for optimal air circulation.
- ❖ **Food and beverage items offered during our fellowship time will be prepackaged. Please do not bring open food items.**
- ❖ As the virus is spread primarily airborne, please refrain from singing for now during our musical selections. Standing, dancing and clapping are however strongly encouraged.
- ❖ Offering baskets will be placed in the front and back of the sanctuary to minimize manual contact, and you may continue to give online if this is your preference.
- ❖ **We ask that if you are not feeling well that you remain at home and plan to attend when you are feeling better.**
